

EDGE-O-DELLS

BAR & RESORT

Eat | Drink | Stay

The journey of the Edge-O-Dells started in the 1950's as a root beer stand and go-kart track. It remained so until the 1970's, when it was converted to a bar, containing only 15 bar stools. The bar was locally known for having the best burgers in the county. Later, in the 1980's, the bar was known as Nora's. Then, in 2001, Tim Roberts and family purchased the bar and go-kart track.

He immediately began the first phase of construction and renovations. His sons, Ken and Lantz, operated the go-kart track. Over the years, the bar grew from a 25' x 25' building to the 5,000 sq. foot facility it is today. The go-kart track along with the adjacent property was used to accommodate the construction of the 21 and older camping & RV resort after Ken and Lantz left for college.

Ken and Lantz have since returned to the family business to work with Tim and provide an enjoyable experience for all. Currently the grounds consist of 100 campsites, 4 acres of group tenting area, 21 year-round rental cabins, a 2,000 sq ft pool, tiki bar, hot tub, 2 volleyball courts and horseshoe pits. The Roberts family continues to expand the property to enhance the experience for their guests.
